

IFAT India 2026

International Pavilion

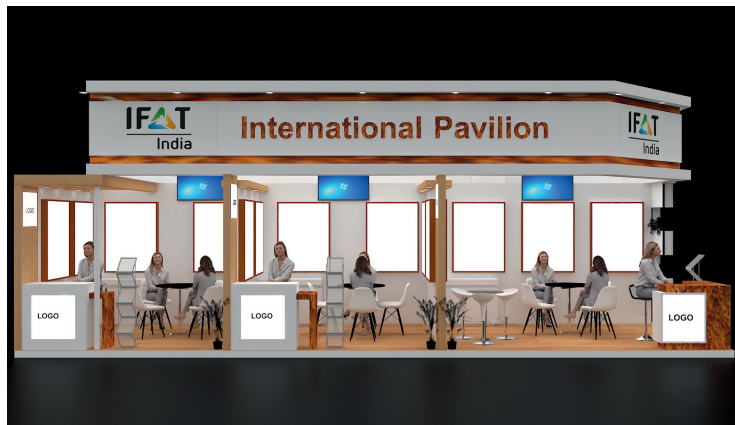

The International Pavilion is an initiative launched by IFAT India 2026 to support international companies from the water, sewage, solid waste and recycling sector in entering the dynamic and fast-growing Indian environmental market.

IFAT India serves as a key platform for wastewater systems, adequate wastewater treatment, sustainable ways of water supply, holistic waste management and recycling.

Your benefits

- ✓ Step into the promising Indian environmental market
- ✓ Take advantage of our cost-efficient offer and exclusive package
- ✓ Increase your visibility under the branded roof of the International Pavilion
- ✓ Count on our comprehensive and individual support before and during the show
