Due to the government's current Covid-19 policy and Messe Muenchen's concern for the health and safety of the exhibitors and visitors, bauma China 2022, which was to be held from 25 to 27 November 2022 in Shanghai, had to be cancelled.

“A successful bauma CHINA with certainty for planning is our primary concern. Due to the still unforeseeable circumstances, this objective is unfortunately no longer feasible. To avoid last minute decision which may bring financial loss to the customers, we therefore cancel the show for 2022 with a heavy heart at this stage and hope that all exhibitors can now start their preparation and planning for a successful bauma China in 2024”, explains Ms. Xu Jia, CEO of Messe Muenchen Shanghai Co., Ltd.

bauma China will be back again in 2024, from 26 to 29 November 2024, at the Shanghai New International Exhibition Center.

fairs. For example, Messe München also organizes bauma CHINA in Shanghai, and partners with the Association of Equipment Manufacturers (AEM) to organize bauma CONEXPO INDIA in Greater Noida/Delhi. In March 2017, the M&T EXPO was added to the bauma NETWORK in the form of a license agreement with SOBRATEMA (Brazilian Association of Technology for Construction and Mining).

### **Messe München**

Messe München is one of the leading exhibition organizers worldwide with more than 50 of its own trade shows for capital goods, consumer goods and new technologies. Every year, a total of over 50,000 exhibitors and around three million visitors take part in more than 200 events at the exhibition center in Munich, at the ICM – Internationales Congress Center München, the Conference Center Nord and the MOC Veranstaltungszentrum München as well as abroad. Together with its subsidiary companies, Messe München organizes trade shows in China, India, Brazil, South Africa and Turkey. With a network of associated companies in Europe, Asia, Africa, and South America, and with around 70 representatives abroad for more than 100 countries, Messe München has a truly global presence.
